3. The Role and Responsibilities of the Warwickshire Music Teacher

If Warwickshire Music provide instrumental, vocal, curriculum teaching and UpBeat tuition for the School, then Warwickshire Music shall, insofar as is applicable in each case:

- 3.1 prepare, advise and liaise with the School regarding an appropriate timetable and grouping of pupils in line with Warwickshire Music’s experience and expertise in instrumental, vocal and class music tuition.

- 3.2 implement and develop a suitable scheme of work in relation to the needs, ability, expectations and interests of the pupils, within the context of the National Curriculum framework for music, the School music policy and Warwickshire Music's experience and expertise.
- 3.3 provide tuition appropriate to pupils' needs and abilities.
- 3.4 keep an up-to-date register of pupil attendance.
- 3.5 keep a record of pupil progress and the achievements of the pupils.
- 3.6 advise on and, where appropriate, contribute to the School music activities and events.
- 3.7 provide opportunities for pupils to make and respond to music together, in the School, with other Warwickshire schools, and specific Warwickshire Music organised events in line with the National Plan for Music Education.

- 3.9 conduct themselves professionally in line with Warwickshire Music handbook, Code of Conduct, Child Protection & Safeguarding Policy (all available on the Warwickshire Music website) and Local Authority expectations, as may be updated from time to time.

4. Number and Duration of Sessions/Lessons

- 4.1 Where instrumental lessons are ordered by the School, Warwickshire Music will provide one session per week over 33 weeks, from the beginning of the Autumn Term 2021 to the end of the Summer Term 2022. **This includes the initial assessment and preliminary sessions at the beginning of term for instrumental lessons.** It may also include the opportunity for shared music making by way of a workshop.
- 4.2 Subject always to Clause 11, if fewer than 33 sessions are provided over this period, a Warwickshire Music teacher shall, where possible, make up the time at a time or times to be agreed by the School, acting reasonably. Where it is not possible to provide 33 sessions, the amount paid will be reimbursed in accordance with paragraph 10.2. Any alteration in the agreed number of sessions will be the subject of full consultation between Warwickshire Music and the School.
- 4.3 Warwickshire Music deliver instrumental sessions in **20 or 30 minute blocks**, either in small groups or 1:1. Warwickshire Music recognises that individual schools have different needs and will work in partnership with schools to achieve the best teaching arrangements to accommodate individual School and parental requirements. Any changes to this arrangement should be discussed with a Warwickshire Music manager. Advice will be provided by a member of Warwickshire Music staff, in relation to an individual pupil's needs, experience and instrument.
- 4.4 Curriculum Class music lessons will be provided for 38 weeks across the academic year to include a termly planning and evaluation meeting between the Warwickshire Music teacher and the School for curriculum music lessons.
- 4.5 UpBeat will be provided for a minimum of 36 weeks, which shall include an initial planning session and a performance. As this programme is highly subsidised reimbursements for missed lessons will not normally be made and will be at the discretion of Warwickshire Music in consultation with the school.
- 4.6 Warwickshire Music must receive an Order Form / Change of Hours form in accordance with the deadlines shown in the below table. Orders received after the deadlines specified will, subject to Warwickshire Music's absolute discretion, be assumed to be for the subsequent term or half term.

Please use the Change of Hours form provided to submit your request (available on [2021/22 Academic Year](#)). Reductions and increases should be related to the number of pupils wishing to commence or cease tuition and shall not be influenced by temporary considerations (e.g. exams). Where a school employs a regular strategy of reduction and consequent reinstatement of tuition requirements, whilst Warwickshire Music will always use reasonable endeavours to accommodate such requests, Warwickshire Music cannot guarantee that such changes will be accepted and cannot guarantee that any reductions can be re-instated to the previous level, nor guarantee that the same teacher will be provided.

5. Provision of Instruments for Instrumental Tuition

- 5.1 Subject to availability and subject to the relevant guidance set out in Appendix 1 or Appendix 2 and separate terms and conditions (available on our website), Warwickshire Music can provide instruments to parents and schools, for the use of individual pupils over a period of one or three years.

In the event of any instrument being damaged, no repairs shall be undertaken unless Warwickshire Music have provided prior written agreement to the scope of repairs and the identity of the repairer.

- 6.5 Warwickshire Music will relate progress to its individual instrumental curriculum.
- 6.6 As and when appropriate, pupils will be recommended for external examinations. Any examination fees will be the responsibility of the School, the pupil or the pupil's parents, and must be paid in advance. Warwickshire Music will not make any contribution to examination fees.
- 6.7 Schools and parents should appreciate that sufficient teaching and practice time is required for success.
- 6.8 Due to teaching commitments, it is not always possible for an instrumental teacher to guarantee that they will be available to provide piano accompaniment during or attend an examination to support a pupil.
