

Music Technology

Offer to schools 2017-2018

In line with the National Music Plan, we offer the following services to schools, colleges and community groups.

Composing and Songwriting

We provide individual and small group tuition in Composing and Song writing and music production.

National Music Plan – Annex 2 Music Technology (108,109), Extension role C

Music Production for Specialist Education and looked after children

We provide extra curricular music activities in the form of music production / music sequencing and composing music for children and young people with special educational needs.

We also help to develop and run workshops in music production and composition for looked after children.

Music Production and Music Sequencing (using Garageband, Logic X or Ableton software)

We offer curriculum advice and support for music technology by providing one to one or small group music production software workshops for teachers and/or pupils to provide assistance with midi and audio sequencing using Logic, Garageband and Ableton.

National Music Plan – Annex 2 Music Technology (112), Extension role A

National Music Plan – Annex 2 Music Technology (106,112) Extension role C

Music Technology/IT Skills

We provide advice and support on the use of tablet devices such as iPads and music apps, including cloud based resources and VLE's for publishing and sharing music including Charanga and Charanga VIP to encourage and promote your pupils independent learning.

National Music Plan – extension role A, Annex 2 Music Technology (105,106,113, 115,116,117,118)

We can advise you on your current music technology equipment, including the most suitable outcome for your needs and budget. We can offer advice on the acquisition of music technology equipment, software and hardware and we can also set up, install and configure your system and offer training to suit your needs.

National Music Plan – Annex 2 Music Technology (107) Extension role A

Music Technology

Offer to schools 2017-2018

Recording & Documenting Coursework

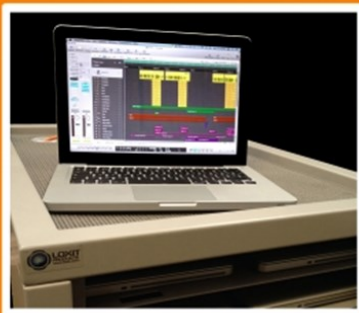

We also provide a loan service for small numbers of laptops for music production and recording and portable recording devices for documenting coursework . We can also assist with the recording of any GCSE or A level music submission.

National Music Plan – Annex 2 Music Technology (106, 111, 112, 114)

Delivery of GCSE Music and BTEC

We can deliver or assist in the delivery of GCSE Music or BTEC Music / Music Technology units and also provide support for teachers on project design and delivery of Composing, Music Sequencing and Recording units.
